### **LISTS**

Lists may be downloaded from the website <http://www.rcts.org.uk/features/archive/>.

### **PRICING AND ORDERING INFORMATION**

Prints and images are now produced by ZenFolio via the website. Refer to the website (<http://www.rcts.org.uk/features/archive/>) for current prices and information.

### **NOTES ON THE LISTS**

1. Colour photographs are identified by a 'C' after the reference number.
2. Vertical format prints are identified by a 'VF' after the reference number.
3. Vertical format colour prints are identified by a 'CVF' after the reference number.
4. A quality grading code is being gradually introduced to assist you in choosing your requirements. The codes are:
  - VG Very good – good lighting and all details clearly visible
  - G Good – similar to VG but not quite optimum conditions
  - FG Fairly good – some parts, i.e. under-frames etc may be in shadow or details unclear
  - F Fair – Subjects where buffers, chimneys or tenders etc have been cut off but otherwise are of reasonable quality
  - P Poor – Prints of interesting or unusual subjects of a quality, which would not normally be included in the catalogue.
- \*(R) Indicates loco is in rebuilt form.
5. All photos new to this issue are marked with **NEW!** in the title.

### **COPYRIGHT AND CONDITIONS OF SUPPLY**

1. All photographic prints/images are supplied in good faith that either the copyright is owned by the RCTS or that it has not proved possible to identify or attribute copyright.
2. Prints/images are supplied on condition that they may be used only for private study and research.
3. All requests for permission to publish copyright photographic prints/images in any media, including books, magazines, exhibitions, film, television, websites, etc. should be made to the Society's Archive Photographic Officer at [photoarchive@rcts.org.uk](mailto:photoarchive@rcts.org.uk).
