Indoor Meetings Programme July - December 2020

In view of the Corona Virus/COVID-19 pandemic, and the closure of our venues, our Autumn 'conventional' meetings (in Croydon or Redhill) are all **SUBJECT TO CONFIRMATION**. We are intending to resume them as soon we can safely do so, but this will not be until October at the earliest: until then we will be holding them as **Virtual Meetings** (On-line through the medium of Zoom), in continuation of our summer virtual meetings programme, hopefully with the same topic and presenter. Please see the RCTS web site or the Railway Observer for updates.

Entry is by the door to the right of the main Church Entrance. The Church is less than five minutes' walk from East Croydon station (for trains, trams and buses), with limited car parking available on site.

Virtual Meetings are held on-line, through the medium of Zoom, at our normal time. For meeting details and an invitation, please contact the Branch Web Co-ordinator, at croydon.web@rcts.org.uk.

Both RCTS members and non-members are very welcome. There is no admission charge, but a donation of £3.50 for members and £5.00 for non-members, including light refreshments and raffle entry, is requested towards the cost of the meeting.
