

Chairman's Report for RCTS Cambridge Branch AGM 12/12/23

I am very pleased to report that we have a full team of very effective officers. For the first time since the Branch was formed, no officer must undertake more than one role on the committee.

Sales cover the running costs of the Branch, so that it is not necessary to charge an entry fee. We have a full programme of interesting talks. We have the best RCTS Branch website. Our administration and accounts are ably looked after. The room is set up before meetings and everything tidied away afterwards. You are served with refreshments during the interval. All of this does not happen by magic. It is achieved by the efforts of volunteers. I should like to thank all of you who make this happen.
