

Chairman's Report for RCTS Cambridge Branch AGM 10/12/24

I am very pleased to report that, thanks to our very effective team of officers and committee member, the Branch has had a very good year.

We are the only Branch that does not ask for entry fees or donations thanks to the indefatigable efforts of our Sales Officer. We have a full programme of interesting talks thanks to the efforts of our Fixtures Secretary. Our administration is well organised thanks to our Secretary; and our accounts are well managed thanks to our Treasurer. We also have the best RCTS Branch website thanks to our Web Manager. Our catering is well looked after by our one Committee member without officer status. However, we should not be complacent. We would welcome new blood on to the Committee. I hope that at least one of you will agree to join us this evening.
