then as normal

Notes

b - to Birmingham
p - to Preston
b - from Birmingham
p - from Preston

Liverpool

Friday – The final departure was the 18.10 to Birmingham New Street, probably with **86207**. The final arrival was at 20:39 from Birmingham International. This should have been the final Cross Country Class 86/2 arrival of the night.

Saturday – The first departure was the 15.10 to Poole with **47814** that probably arrived l/e from Preston.

Preston

Friday – final departure was the 18.54 to Birmingham New Street (15.50 ex Glasgow Central) with the final arrival having been at 18.49 from Paddington.

Saturday – The first departure was the 11.55 to Bournemouth.

Manchester

Friday – The final departure was the 17.59 to Birmingham New Street. The final confirmed arrival was at 19.27 from Bournemouth with **47814**. This should have been followed by the 14.18 Brighton-Manchester Piccadilly due at 20.20. It has never been established what exactly happened to this train which is reported to have set out behind **47817** but may have terminated at Banbury due to locomotive failure. This train would have been the final Class 47 arrival of the night had the 16.20 Bournemouth-Derby not been locomotive hauled viz HST.

Saturday – The first departure was the 10.17 to Birmingham New Street

Derby

Friday – The final departure was the 18.39 to Birmingham New Street (16.43 ex York), with **47844**. The final arrival was at 20.28 from Bournemouth which was locomotive hauled viz HST with **47709** which stayed overnight at Derby. This was probably the final Class 47 (and diesel locomotive) arrival of the night (*see Manchester above*).

Saturday – The first departure was the 10.09 to Plymouth with **47709**.

Reading

Friday – The final arrival was at 19.56 from Glasgow Central with **47827**.

Saturday – The first departure was the the 11.33 to Edinburgh with **47839**.

Brighton

Friday – The final departure was the 14.18 to Manchester Piccadilly with **47817**, this also having been the final arrival earlier in the day on the 06.20 from Preston. (*Not clear how far this got, see Manchester above*).

Saturday – There were no departures until Sunday although **47848** arrived with the 14.17 ex Manchester Piccadilly

Bournemouth / Poole

Friday – The final departure was the 16.20 to Derby with **47709** and the final arrival was at 17.37 from Edinburgh with **47810** which stayed overnight at Bournemouth.

Saturday – The first departure was the 14.05 (ex Poole) to Manchester Piccadilly with **47810**.

Bristol / Plymouth / Penzance

Friday – The final departures were the 12.49 Penzance – Paddington with **47816** and 15.55 Plymouth-Birmingham New Street with **47847**. The final arrival at Penzance was the 14.28 from Paddington at 20.17 with **47830**.

Saturday – The first departures were the 10.00 Penzance-Liverpool Lime Street with **47805** and 12.10 Bristol Temple Meads – Newcastle-upon-Tyne with **47840**. The 10.00 ex Penzance was the first Class 47 (and diesel locomotive) departure of the day.

HST's & 158's

Friday – The final arrivals were HST - 09.10 Aberdeen-Plymouth arr 20.58 ; 158 - 17.35 Portsmouth Harbour-Birmingham New Street arr 20.57

Saturday – The first departures were HST - 10.02 Crewe-Carlisle ; 158 - 10.03 Birmingham New Street-Portsmouth Harbour
