# Chairman's Platform

A special welcome to those receiving this newsletter by email for the first time. If you are a reader who doesn't normally attend our branch meetings why not come along and give us a try. (Non-members, are also always welcome at our monthly meetings - as we hope that we may tempt you to become members!) Attendance at recent meetings has been good and I hope that more will take the opportunity to become "regulars".

You may have noticed in the Railway Observer that the RCTS will be 100 years old in 2028 and the Society's Development Committee have started to formulate ideas to celebrate the occasion. (see Sept RO page 578). Yours truly is collating suggestions for the DC to discuss. I am sure that some members of this branch have ideas and I hope to hear from you. At present there's plenty of time, but don't hold back!

Finally, if you have friends/relatives enquiring what you would like as a Christmas gift why not suggest one of the Society's excellent publications? (see [www.rcts.org.uk/publications/sales](http://www.rcts.org.uk/publications/sales))

## Exhibitions

Over the coming weeks there are several exhibitions to note:

ROYSTON MODEL RAILWAY CLUB on 16 November 2019 (10:00 – 16:00) at Bassingbourn Village College. There is a free Historic Bus service between Royston bus & train stations to the venue.

LETCHWORTH MODEL RAILWAY CLUB on 30 November 2019 (10:00 – 16:30) at Etonbury Academy SG15 6XS. This is on the outskirts of Stotfold, just off the A507.

And a little further ahead:

CHILTERN MODEL RAILWAY ASSOCIATION on 11 & 12 January 2020, at the Stevenage Arts & Leisure Centre, Stevenage SG1 1LZ. Over 30 layouts plus trade stands etc.

The branch will have a stand at these exhibitions – to encourage people to become members and to raise funds for the branch through book sales. If you visit any of these exhibitions do call by our stand and say hello.

## Book Sales

The book-sales table is popular at meetings and the revenue helps towards our running costs. If you can contribute any books to the branch they would be most welcome, and it will give you shelf-space to purchase "new" books for your own enjoyment! A number of members have already donated books – will you join them?

## Branch Programme for 2020

Branch Secretary, Dave Elsdon, has finalised the programme of meetings for 2020 and this is now back from the printers. Devising a varied programme and engaging the speakers is no small task and we should not under-estimate the amount of time and effort Dave puts in behind the scenes to achieve this: Thanks Dave.

An overview of the 2020 programme is on the next two pages.
