

# Archive and Library Magazine List

## Column Descriptions

<b>Title</b>	Title of the magazine
<b>Society</b>	Society or publisher of the magazine
<b>Country</b>	Country of origin
<b>Archive Number</b>	RCTS Library number
<b>Volume</b>	Volume number (where known)
<b>Issue Numbers</b>	Issue numbers in that volume
<b>Date</b>	Year(s) of publication
<b>Notes</b>	Any relevant notes. For example whether unbound.

If a paper index is known to be included in the volume this is noted. There are many volumes that have not been checked for an index and many more indices are held in electronic format on the library computer. It is worth looking at the computer folder to see what is held for a particular magazine. In a few cases the actual magazines are also held in electronic format. See: <P:\archivelibrary\Magazines And Indices>

Note that some volumes in this list are held only in electronic format on the Library Computer. If you can not find a particular book or magazine on the shelf, please ask for assistance
