VAT INVOICE

One of the participants of the Members' Weekend noticed once he had arrived home that the invoice provided by Golden Valley Hotel upon paying his bill stated that THIS IS NOT A VAT INVOICE.

Upon contacting the hotel on 01242 232691, cheaper than the 0871 number they emailed a replacement. This detailed the VAT, NET and GROSS amounts that made up the bill. A VAT number was not included but can be added, it is 896 105 207. Some invoices to this format were issued so other than adding the VAT number no action is necessary.

It is suggested that everyone takes a look at his or her invoice and if necessary request a replacement to enable the treasurer to claim back the VAT.

So far we have gained 166 new recruits this year – compared with 159 in the whole of 2014.
