BRANCH EXHIBITION RETURNS

The table below shows the Annual return from each Branch of the Society from 1st November 2014 to 31st October 2015, with a comparison to the previous year. I think you can see from the figures that there has been a general decline overall in 2015. Hopefully with a little more effort and the new Society publication published in November 2015 we can make a significant improvement in the year to come.
