### **REGIONAL MEETINGS**

The 2016 programme of regional meetings, which are held at five locations throughout the country, are detailed below. An MC representative will be in attendance to answer any questions branch officers may want to raise. An updated version of the 2015 Regional Meetings summary document plus a draft agenda will be distributed to all branch officers from the individual Regional Meetings chairmen in due course. If you have a 'burning item' for the agenda contact your regional chairman and get that item on the agenda.

It is essential that every branch attend these meetings so that the maximum possible benefit is gained. The Society will reimburse branches with reasonable travelling costs for two branch members to attend and a lunch will be provided at each venue. Claims for travelling should be paid out of branch accounts and claimed back from central funds in the normal way. If any branch has not received details from their Regional Group meeting two weeks before the meeting it is their responsibility to contact the group Chairman.
