IDEAS FOR BRANCH FIXTURES

Outdoor Fixture The South Wales Branch recently organised a 'behind the scenes' visit to the Gloucester Warwickshire Railway and the organiser, Glyn Cornish (a Society member) is very happy to arrange visits for any other branch that might be interested. Their day consisted of a discounted all day rover, a visit to the C&W works at Winchcombe and a tour round the diesel and steam sheds and works.

Glyn can be contacted via the following email address: --
goldbarglyn@gmail.com

Indoor Meetings The South Essex Branch had recently been in touch about a branch meeting on Crossrail and found the speaker to be very good. If other branches would like to book the speaker he has given approval to pass his contact details on to the society.

This is: -- PatrickGriffin@crossrail.co.uk

He is based at Canary Wharf and lives during the week at Dalston in East London but at weekends lives in Bodmin in Cornwall.

So far we have 86 new recruits this year – compared with 94 at the same time last year.
