A Happy Event.

Those of you who attended the Officers' Conference at Grange-Over-Sands will recall Gordon Davies announcing that David and Sally Goddard were expecting a baby in January.

Well, matters have moved along rather more quickly than expected and baby Beatrice came out of works twelve weeks ahead of schedule on Wednesday 26th October. Weighing just 1lb 7oz means she has a lot of challenges to face before she will be joining Mum and Dad when they are out and about seeing the country by train.

Please join me in congratulating David and Sally and wishing all three much happiness for the future.

An Important Event.

This afternoon the Society received notification that we had become a registered charity and has been entered onto the Register of Charities with the Registered Charity Number 1169995. More details will be available shortly.
