JOHN FEILD

I learnt today from Richard Neale the sad and devastating news that John Feild died yesterday.

John had been a key figure in the life of the Merseyside, Chester & North Wales Branch for well over 50 years and especially so after Chester became such an important meeting venue for indoor meetings 35 years ago.

He is best remembered as both an effective indoor fixtures and as an outdoor fixtures secretary. His service to the branch was duly recognized relatively recently when he was made Hon. Branch President a role he greatly cherished. Right up to the time of his death he was to be seen at pretty well every branch fixture, both indoor and outdoor.

Funeral arrangements, when known will be available from the Branch Secretary, Alan Turton.
