160 NEW MEMBERS

160 members were recruited during 2016. This number is disappointing when compared with 205 recruited in 2015 but is still the second highest since 2001. Thanks are due to everyone in achieving these figures but we do need to do better to ensure that the RCTS expands rather than fades away.

Of interest are the ways by which members join the Society. These are given in the graph below.
