BEWARE

Message from Mike Green:

I have had an Email addressed to Solent/RCTS with the names Dave Carell and Paul Berry on it saying that an Invoice has been raised on our A/C. I have deleted it without opening the attachment but as the Branch do not have our Accounts on line I do not see a problem unless it has also gone to other branches.

Please note that if you receive a similar message then you must delete it as well.

It must be the phishing season at the moment as I have received a number of emails in the last week telling me there are problems with my Nat West / TSB / Lloyds Bank accounts.
