BRANCH HOUSEKEEPING.

Now that the society is a CIO we are now expected to operate at all levels in a transparent manner so we satisfy the requirements of the Charities Commission should they wish to take a closer look at how we operate. This will be explained more thoroughly by the MC attendee at the Regional Meetings this year.

In recent years I have requested that branches send to me their AGM minutes, some have taken this on board and have done so every year; thank you. They are all read and added to a Branch AGM folder on my computer. Any item of interest is referred to the MC.

For those branches that currently do not send their AGM minutes to me can you please do so in future? Thank you
