More Sad News

Longstanding RCTS member Peter W Gray passed away on the morning of 2nd October just a few weeks short of his 90th birthday. Peter was a regular speaker at many branches over the years with his excellent and informative slide shows and many members will be aware of his stunning images of the steam and early diesel era which appeared in many books and magazines along with his extensive knowledge of the bygone railways scene he had captured,

Peter was one of the West of England branch founders and served the branch in many committee positions, from its inception until the last few years when ill health forced his retirement from the committee and will be greatly missed by all who knew him. His funeral will be held at Torquay Crematorium on Wednesday 25th October 2017 at 11.15am.
