Assistant Treasurer – Branch Finances

After many years of trying to assist and advise the branches on how to run and present their finances Bob Ellison will be standing down at the end of the year. Thank you, Bob for your patience.

As of 1st January Eric Rattray of the Merseyside, Chester and North Wales Branch will be taking over this important link between the branches and the Society. Please ease him in gradually while I am sure that Bob will around to advise where necessary.

Eric's contact details are: --
