## **Officers' Newsletter 155**

### **Promoting the RCTS in its 90<sup>th</sup> Year**

The Society is going to make a very special membership offer in 2018 to celebrate its 90<sup>th</sup> year. Details of this will be sent out to branches at the end of April 2018 with the offer commencing on 1 June 2018.

In order to help branches attract visitors to their May meeting the Society would like to try and get a short news item about the 90<sup>th</sup> Anniversary and each Branch into a relevant local newspaper, or several papers if appropriate. To this end our Publicity Officer, Roger Sandford, will prepare the item and submit it to the nominated papers. All that is asked of each Branch is that you send Roger details of the best local papers to which we should send the press release. If you can supply the editorial e-mail address for each that would be even better. In the event that you already submit meeting details to a local paper then please advise an alternative title if one exists so that we do not duplicate your efforts. It may be possible, if you provide us with the meeting information that would normally be submitted, that branch meeting details could be combined with the short news item so it is important to let Roger know which local paper(s) you use.

Please send your information by 14<sup>th</sup> April to:

Thank you.

Paul Chancellor - Chair  
Development Sub-Committee (DSC)
